THIS SALE

Will be conducted by a licensd auctioneer, and subject to the laws of the State of Illinois governing public auction sales.

Beginning with this sale I shall discontinue the practis of charging a 5% commission on purchases made by mail bidders. This will enable the bidder to add just so much to his offer, being a direct benefit to the owners and not a great hardship to the cataloger.

Terms of Sale.

Auction sales are spot cash and no time allowances or credit can be permitted under any circumstances, the owner of the coins expecting prompt payment. Strangers must send satisfactory references.

3. Bids are numberd and tabulated in their order of receipt. If two or more bids on any certain lot are alike, the one first receivd gets the lot. If two or more unlimited bids on any certain lot are receivd, the first one in gets the lot at a slight advance over the highest bid.

4. Payment should be made promptly by cash, money order or draft on New York or Chicago. All personal checks from out of town are subject to 10c exchange, and this amount will be deducted from such remittances. If a receipt is desird, a stamp, addresst envelope should be enclosd.

6. It is understood that I purchase for you as your agent and execute your bids, below the limit price you name, if possible. I understand fully that the amount you name on each lot is the highest price you are willing to pay, and that I am to buy it at as much less as the next highest mail bid or those present at the sale will allow.
